Get Our Best Values

Join the ACT! Corporate License Program

The ACT! Corporate License Program is designed to provide simple and flexible, volume-based pricing for organizations that require multiple licenses of ACT!. It helps you and your team get the best value on ACT! products and services by offering volume-based pricing, special product and upgrade options, and pre- and post-sales support.

Participation in the program is easy! By placing a qualified order, you become eligible for the ACT! Corporate License Program, and are automatically enrolled. For each order, we require a single ship-to address that includes end-user company name, contact name, address, phone number, and e-mail address. The e-mail address will be used to send confirmations and serial numbers.

ACT! Corporate License Program Benefits:

- Savings of up to 30% on ACT! products.
- Low license minimum making it easy for your order to qualify.
- Upgrade Assurance options to help you maintain the most current version of ACT!, while realizing the lowest total cost of ownership.
- Dedicated pre- and post-sales support ranging from product demonstrations to technical assessments.
- ACT! Corporate Edge technical support plans designed to deliver the level of assistance you need.
- No annual contracts to sign or annual commitments to meet.
- Larger orders mean greater discounts – even Upgrade Assurance and technical support count towards your discount level.

Who Should Participate?

Organizations that benefit most from this program include those that require multiple copies of ACT! – typically five or more – for use in either a standalone or shared environment. Organizations with sales, support, or other teams that need to access and manage a centralized prospect/customer database and have mobile and remote professionals who need to access customer data anytime, anywhere will benefit. Or, those that have account management needs for ongoing growth and additional license purchases that want to manage their total cost of ownership.
